

PAK/TEEM, INC.

Manufacturing Services

Whether we start with a hand sketch or a complete drawing package, PAK/TEEM provides high quality custom fabrication, machining, and assembly services. We serve a wide variety of clients, ranging from foods and pharmaceuticals to the pulp and paper industries. Our craftsmen take great pride in their work and a job doesn't get shipped until it is exactly right. Our ability to maintain this level of quality on a tight schedule provides our clients with the ability to respond to rapidly changing market conditions and capitalize on new opportunities.
